## SNOW ANGELS

The Village of Linden is seeking students in Grades 5-9 who are willing to help individuals who are ill, elderly, or otherwise unable to shovel their walks during a snowfall event.

To sign up for this program, the below form will be passed along to the Village Office. The Village will contact students on their list and assign addresses of individuals in need of assistance during a snowfall. Those students will then be required to go and help shovel walks as needed. **If students are away during a snowfall event, they need to contact the Village Office who will then help to make alternate arrangements. (403) 546-3888.**

Any students in Grades 7-9 can use hours acquired as Snow Angels as a part of their Volunteerism Award hours. More information on the Volunteerism Award is available at the school office or on our school website.

If you would like to be a Snow Angel, please complete the following form and return it to the school office as soon as possible.
